

WELCOME BACK!

Tourettes Syndrome (TS)

What you should know

Tourette Syndrome is a neurological condition characterised by involuntary movements and sounds, known as tics. It affects around 1 in every 100 school children. Alongside tics you will often find ADHD, OCD, learning disabilities and many other conditions. TS is a lifelong condition.

What we do at T.I.C.

Support and Awareness,

We offer support, and advice at our drop in, online and over the phone. **Deliver** awareness talks to schools and health/children's services. **Work** together to help encourage acceptance and social interactions. **Organise** monthly support groups and additional activities.

Finally, we can meet again.

Support group

Sunday 25th July 1-4pm we meet once again at the lngs resource centre. To get those creative juices flowing we will be joined by Scrapstore.

August will see our very own festival, Fest-TIC, lots of colour, craft, music, and games. See you all soon!

SIBLING SUPPORT GROUP

Our new sibling support service is due to start in August. The aims are to have **F**un, **A**cknowledge feelings, **M**odel coping strategies and **E**nhance knowledge. The team are excited to get the group started and have lots of fun and exciting things in mind. Email for details: siblingsupport@tic-yorkshire.co.uk

Youth Ambassador

We are extremely happy to introduce the newest member of our volunteer team, 10-year-old Youth Ambassador Lacey-May Horton.

Lacey-May will be joining forces with fellow Ambassador Bethany helping to plan the TIC Symposium in 2022.

Watch this space for more details!

A BIG THANK YOU

TO THOSE WHO RAISED FUNDS FOR AWARENESS MONTH

A big thank you to those who raised money for TIC during Tourettes Awareness month, Luke Inglis, Bethany Nash, Rich Smith, Vicki Oates, the TIC team and all our members who purchased tic merch. We managed to raise £2,264.86.
